

Dear friends,

On this occasion, we would like to thank all Croatian and international chefs, partners, sponsors, small producers and gastronomy lovers who supported us in the **Chefs' Stage 2020 project**.

Given the current epidemiological situation in the country and region, and upon the recommendation of the Civil Protection Staff of the Republic of Croatia to postpone gatherings and events, and the decision of the Civil Protection Staff of the Šibenik-Knin County to cancel all public events, **we inform you with heavy hearts that Chefs' Stage 2020 is being postponed until the fall.**

Our organization team will contact you for a refund for purchased activities.

You will be notified of the new date in due time, and for any additional questions we are available at e-mail **info@chefsstage.com**.

Thanks in advance for your understanding.

*Chefs' Stage & Pelegrini team*
